

**Interim list of third-country CCPs that will offer clearing services and activities in the UK under the Temporary Recognition Regime (TRR) of the Central Counterparties (Amendments, etc., and Transitional Provision) (EU Exit) Regulations 2018 if the UK leaves the EU with no implementation period**

The following CCPs have notified the Bank that they intend to enter the TRR on exit day if the UK leaves the EU with no implementation period. These CCPs will enter the TRR and remain there, so long as they continue to meet the eligibility criteria. The TRR will enable eligible non-UK CCPs to provide clearing services and activities in the UK for up to three years from the commencement of the TRR, extendable by HM Treasury in increments of twelve months.

This is an interim list as of the date above. It is subject to change and will be updated periodically over the coming months. CCPs can, before exit day, continue to notify the Bank of their intention to provide services under the TRR. The final list will be published on the Bank's website after exit day if the UK leaves the EU with no implementation period.
